CLAIMS FOR VISION INSURANCE

Routine Questions on Vision Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-833-EYE-LIFE (1-833-393-5433).

Initial Determination

If Your claim for Vision Insurance benefits is a Clean Claim and it is approved, benefits will be paid within 25 days after We receive Proof in an electronic form of a covered loss, or within 35 days after receipt of Proof in paper form of a covered loss. Proof includes, but is not limited to, information essential for Us to administer coordination of benefits.

"Clean Claim" means a claim that:

- does not require further information, adjustment or alteration by You or the provider of the services in order to process and pay it;
- does not have any defects;
- does not have any impropriety, including any lack of supporting documentation; and
- does not involve a particular circumstance required special treatment that substantially prevents timely payments from being made on the claim.

A Clean Claim does not include a claim submitted by a provider more than 30 days after the date of service, or if the provider does not submit the claim on Your behalf, a claim submitted more than 30 days after the date the provider bills You. Errors, such as system errors, attributable to the insurer, do not change the clean claim status.

If We do not deny payment of such benefits to You by the end of the 25 day period for clean claims submitted in electronic form, or 35 day period for Clean Claims submitted in paper form, and such benefits remain due and payable to You, interest will accrue on the amount of such benefits at the rate of 3 percent per month until such benefits are finally settled. If We do not pay benefits to You when due and payable, You may bring action to recover such benefits, any interest which has accrued with respect to such benefits and any other damages which may be allowed by law. We will pay benefits when We receive satisfactory Proof of Your claim.

If We are unable to pay a claim for Vision Insurance benefits because additional information or documentation is required, or there is a particular circumstance requiring special treatment, within 25 days after the date We receive the claim if it is submitted in electronic form, or within 35 days after the date MetLife receives the claim if it is submitted in paper form, We will send You notice of what supporting documentation or information is needed. Any claim or portion of a claim for Vision Insurance benefits that is resubmitted with all of the supporting documentation requested in Our notice and becomes payable will be paid to You within 20 days after it is received.

NOTICE FOR RESIDENTS OF MISSISSIPPI

Claim Denial Appeals

If a claim is denied in whole or in part, under the terms of this certificate, a request may be submitted to Us by a Covered Person or a Covered Person's authorized representative for a full review of the denial. A Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include the Covered Person's authorized representative, where applicable.

Initial Appeal. All requests for review must be made within one hundred eighty (180) calendar days following denial of a claim. A Covered Person may review, during normal business hours, any documents used by Us pertinent to the denial. A Covered Person may also submit Written comments or supporting documentation concerning the claim to assist in Our review. Our response to the initial appeal, including specific reasons for the decision, shall be communicated to the Covered Person within thirty (30) calendar days after receipt of the request for the appeal.

Second Level Appeal. If a Covered Person disagrees with the response to the initial appeal of the denied claim, the Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to Us within sixty (60) calendar days after receipt of Our response to the initial appeal. We shall communicate Our final determination to the Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Our communication to the Covered Person shall include the specific reasons for the determination.

Other Remedies. When a Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Additional information is available from the U.S. Department of Labor or the insurance regulatory agency for the Covered Persons' state of residency. Additionally, under the provisions of ERISA (Section 502(a)(1)(B) 29 U.S.C. 1132(a)(1)(B)), the Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

Time of Action. No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. No such action shall be brought after the expiration of any applicable statute of limitations, in accordance with the terms of this Policy. No such action shall be brought after the expiration of three (3) years from the last date that the claim and any applicable invoices were submitted to Us, and no such action shall be brought at all unless brought within three (3) years from the expiration of the time within which such materials are required to be submitted in accordance with the terms of this Policy. If it is determined in such action that We acted in bad faith as evidenced by a repeated or deliberate pattern of failing to pay benefits and/or claims when due, You (or the provider, if You assigned the benefits to the provider) shall be entitled to recover any interest which may accrue plus damages in an amount up to three (3) times the amount of the benefits that remain unpaid until the claim is finally settled or adjudicated.

Insurance Fraud: Any Covered Person who intends to defraud, knowingly facilitates a fraud, submits a claim containing false or deceptive information, or who commits any other similar act as defined by applicable state or federal law, is guilty of insurance fraud. Such an act is grounds for immediate termination of the coverage under this Policy of the Covered Person committing such fraud.

If a claim is denied in whole or in part, under the terms of this certificate, a request may be submitted to Us by a Covered Person or a Covered Person's authorized representative for a full review of the denial. A Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include the Covered Person's authorized representative, where applicable.

A Covered Person may review, during normal business hours, any documents used by Us pertinent to the denial. A Covered Person may also submit Written comments or supporting documentation concerning the claim to assist in Our review. Our response to the initial appeal, including specific reasons for the decision, shall be communicated to the Covered Person within thirty (30) calendar days after receipt of the request for the appeal.

Second Level Appeal. If a Covered Person disagrees with the response to the initial appeal of the denied claim, the Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to Us within sixty (60) calendar days after receipt of Our response to the initial appeal. We shall communicate Our final determination to the Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Our communication to the Covered Person shall include the specific reasons for the determination.

Other Remedies. When a Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Additional information is available from the U.S. Department of Labor or the insurance regulatory agency for the Covered Persons' state of residency. Additionally, under the provisions of ERISA (Section 502(a)(1)(B) 29 U.S.C. 1132(a)(1)(B)), the Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

Time of Action. No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. No such action shall be brought after the expiration of any applicable statute of limitations, in accordance with the terms of this Policy. No such action shall be brought after the expiration of three (3) years from the last date that the claim and any applicable invoices were submitted to Us, and no such action shall be brought at all unless brought within three (3) years from the expiration of the time within which such materials are required to be submitted in accordance with the terms of this Policy.

Such an act is grounds for immediate termination of the coverage under this Policy of the Covered Person committing such fraud.

NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

Actively at Work or Active Work means that You are performing all of the usual and customary duties of Your job on a Full-Time basis. This must be done at:

- the Policyholder's place of business;
- an alternate place approved by the Policyholder; or
- a place to which the Policyholder's business requires You to travel.

You will be deemed to be Actively at Work during weekends or Policyholder approved vacations, holidays or business closures if You were Actively at Work on the last scheduled work day preceding such time off.

Anisometropia means a condition of unequal refractive state of the two eyes, one eye requiring a different lens correction than the other.

Child means the following: (for residents of Alaska, Connecticut, Louisiana, Minnesota, New Hampshire, New Mexico, Texas, Utah and Washington, the Child Definition is modified as explained in the notice pages of this certificate - please consult the Notice)

Your natural or adopted child; Your stepchild (including the child of a Domestic Partner); or a child who resides with and is fully supported by You; and who, in each case, is under age 26 and unmarried.

The definition of Child includes newborns.

An adopted child includes a child placed in Your physical custody for purpose of adoption. If prior to completion of the legal adoption the child is removed from Your custody, the child's status as an adopted child will end.

If You provide Us notice, a Child also includes a child for whom You must provide Vision Insurance due to a Qualified Medical Child Support Order as defined in the United States Employee Retirement Income Security Act of 1974 as amended.

The term includes an Employee's Child who is incapable of self-sustaining employment because of a mental or physical disability as defined by applicable law, and has been so disabled continuously since a date before the Child reached the limiting age and who otherwise qualifies as a Child except for the age limit.

For the purposes of determining who may become covered for insurance, the term does not include any person who:

- is on active duty in the military of any country or international authority; however, active duty for this purpose does not include weekend or summer training for the reserve forces of the United States, including the National Guard; or
- is insured under the Group Policy as an employee.

Co-Payment or Co-Pay means a fixed dollar amount for which We are not responsible, as shown in the Schedule of Benefits. You must pay Your Co-Payment at the time services are rendered or materials ordered.

Covered Person(s) means an Employee and/or a Dependent covered under this Certificate.

DEFINITIONS (continued)

Covered Services and Materials mean a vision service or materials used to treat Your or Your Dependent's vision condition which is:

Maximum Benefit Allowance means the maximum amount We will allow for Covered Services and Materials provided by a Vision Provider.

Necessary means Covered Services and Materials that are necessary and meet with professionally recognized standards of practice. The fact that a Vision Provider may prescribe, order, recommend or approve a service or material does not, in itself, make it medically necessary, or make it a Covered Service and Material even though it is listed in the Group Policy or the Benefit Schedule as Covered Service and Material.

Noncontributory Insurance means insurance for which the Policyholder does not require You to pay any part of the premium.

Out-of-Network Vision Provider/Non-Network Vision Provider means any optometrist, optician, ophthalmologist or other licensed and qualified vision care provider who has not contracted to provide vision care services and/or vision care materials to Covered Persons of MetLife.

- is insured under the Group Policy as an employee.

VISION INSURANCE

Benefits are available for Covered Services and Materials provided by either In-Network Vision Providers or Out-of-Network Vision Providers. However, You may be able to reduce Your out-of-pocket costs by using In-Network Vision Providers because Out-of-Network Vision Providers have not entered into an agreement to limit their charges. You are always free to receive services from any Vision Provider. You do not need any authorization from Us before seeing a Vision Provider.

In-Network Vision Providers have agreed to provide Covered Services and Materials as listed in the SCHEDULE OF BENEFITS.

If You or a Dependent incur a charge for Covered Services and Materials from an Out-of-Network Vision Provider, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

The benefits available under this Vision Insurance are set forth on the SCHEDULE OF BENEFITS. In addition to the Co-Payment, if applicable, You may be responsible for:

- the cost of any services or materials that are not Covered Services and Materials; and
- the cost of any service or material that is in excess of the Maximum Benefit Allowance listed on the SCHEDULE OF BENEFITS.

We do not provide vision services. Whether or not benefits are available for a particular service does not mean You should or should not receive the service. You and Your Vision Provider have the right and are responsible at all times for choosing the course of treatment and services to be performed.

When requesting Covered Services and Materials from an In-Network Vision Provider, We recommend that You confirm that the Vision Provider is currently an In-Network Vision Provider at the time that the Covered Services and Materials are provided.

You can obtain a customized listing of MetLife's In-Network Vision Providers either by calling 1-833-EYE-LIFE (1-833-393-5433) or by visiting Our website at www.metlife.com/mybenefits.

PLAN BENEFITS

We will pay benefits for charges incurred by You or a Dependent for Covered Services and Materials as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

If You receive Covered Services and Materials from an In-Network Vision Provider, We will pay the provider directly for all covered benefits.

If You or Your Dependent receive Covered Services and Materials from an Out-of-Network Vision Provider, and You assign payment of Vision Insurance benefits to Your or Your Dependent's Vision Provider, We will pay benefits directly to the Vision Provider. Otherwise, We will pay Vision Insurance benefits to You.

In-Network

If Covered Services and Materials are provided by an In-Network Vision Provider, We will base the benefit on the Plan Benefits listed on the SCHEDULE OF BENEFITS.

If an In-Network Vision Provider provides Covered Services and Materials, You will be responsible for paying:

- the Co-Payment, if applicable; and
- the cost of any service or material that is in excess of the Plan Benefits listed on the SCHEDULE OF BENEFITS.

VISION INSURANCE (continued)

Out-of-Network

If Covered Services and Materials are provided by an Out-of-Network Vision Provider, We will base the benefit on the Plan Benefits listed on the SCHEDULE OF BENEFITS, subject to the Maximum Benefit Allowance.

Out-of-Network Vision Providers may charge You more than the Maximum Benefit Allowance. If an Out-of-Network Vision Provider provides Covered Services and Materials, You will be responsible for paying any amount in excess of the Maximum Benefit Allowance charged by the Out-of-Network Vision Provider.

VISION INSURANCE: COORDINATION OF BENEFITS

COORDINATION OF THIS CONTRACT'S BENEFITS WITH OTHER BENEFITS

The Coordination of Benefits (COB) provision applies when a person has vision coverage under more than one Plan. Plan is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans does not exceed 100% of the total Allowable Expense.

DEFINITIONS

Plan means any of the following that provides benefits or services for vision care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

Plan includes:

- group and nongroup insurance contracts,
- health insuring corporation contracts,
- Closed Panel Plans or other forms of group or group-type coverage (whether insured or uninsured);
- medical care components of long-term care contracts, such as skilled nursing care;
- medical benefits under group or individual automobile contracts; and
- Medicare or any other federal governmental plan, as permitted by law.

Plan does not include:

- hospital indemnity coverage or other fixed indemnity coverage;
- accident only coverage;
- specified disease or specified accident coverage;
- supplemental coverage as described in Revised Code sections 3923.37 and 1751.56;
- school accident type coverage;
- benefits for non-medical components of long-term care policies;
- Medicare supplement policies;
- Medicaid policies; or
- coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

This Plan means, in a COB provision, the part of the contract providing the vision benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing vision benefits is separate from This Plan.

The order of benefit determination rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has vision coverage under more than one Plan.

When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable Expense.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

Allowable Expense means a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering the person.

When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

- If a person is covered by two (2) or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
- If a person is covered by two (2) or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
- If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement shall be the Allowable Expense for all Plans. However, if the provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefits.
- The amount of any benefit reduction by the Primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

Closed Panel Plan means Plan that provides vision benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

Custodial Parent means the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

ORDER OF BENEFIT DETERMINATION RULES

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

- A. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.
- B. (1) Except as provided in Paragraph (2), a Plan that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both Plans state that the complying plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
- C. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

D. Each Plan determines its order of benefits using the first of the following rules that apply:

- (1) **Non-Dependent or Dependent.** The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent, and primary to the Plan covering the person as other than a dependent (e.g. a retired employee), then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.
- (2) **Dependent child covered under more than one plan.** Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
 - (a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
 - However, if one spouse's plan has some other coordination rule (for example, a "gender rule" which says the father's plan is always primary), we will follow the rules of that plan.
 - (b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - (i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
 - (ii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;
 - (iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or
 - (iv) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - The Plan covering the Custodial Parent;
 - The Plan covering the spouse of the Custodial Parent;
 - The Plan covering the non-Custodial Parent; and then
 - The Plan covering the spouse of the non-Custodial Parent.
 - (c) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.
- (3) **Active employee or retired or laid-off employee.** The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

- (4) **COBRA or state continuation coverage.** If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
- (5) **Longer or shorter length of coverage.** The Plan that covered the person as an employee, member, policyholder, subscriber or retiree longer is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.
- (6) If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, This plan will not pay more than it would have paid had it been the Primary Plan.

EFFECT ON THE BENEFITS OF THIS PLAN

When This plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable Expense under its Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In addition, the Secondary Plan shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

If a covered person is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB shall not apply between that Plan and other Closed Panel Plans.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about vision coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. We may get the facts We need from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts We need to apply those rules and determine benefits payable.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by Us is more than We should have paid under this COB provision, We may recover the excess from one or more of the persons We paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the Covered Person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

Examples of business associates are: billing companies, data processing companies, companies that provide general administrative services, health information organizations e-prescribing gateways, or personal health record vendors that provide services to covered entities. PHI may be disclosed to reinsurers for underwriting, audit or claim review reasons. PHI may also be disclosed as part of a potential merger or acquisition involving our business in order that the parties to the transaction may make an informed business decision.

- **To Plan Sponsors:** We may disclose summary health information such as claims history or claims expenses to a plan sponsor to enable it to obtain premium bids from health plans, or to modify, amend or terminate a group health plan. We may also disclose PHI to a plan sponsor to help administer its plan if the plan sponsor agrees to restrict its use and disclosure of PHI in accordance with federal law.

- **To Individuals Involved in Your Care:** We may disclose your PHI to a family member or other individual who is involved in your health care or payment of your health care. For example, we may disclose PHI to a covered family member whom you have authorized to contact us regarding payment of a claim.

- **Where Required by Law or for Public Health Activities:** We disclose PHI when required by federal, state or local law. Examples of such mandatory disclosures include notifying state or local health authorities regarding particular communicable diseases, or providing PHI to a governmental agency or regulator with health care oversight responsibilities.

- **To Avert a Serious Threat to Health or Safety:** We may disclose PHI to avert a serious threat to someone's health or safety. We may also disclose PHI to federal, state or local agencies engaged in disaster relief, as well as to private disaster relief or disaster assistance agencies to allow such entities to carry out their responsibilities in specific disaster situations.

- **For Health-Related Benefits or Services:** We may use your PHI to provide you with information about benefits available to you under your current coverage or policy and, in limited situations, about health-related products or services that may be of

interest to you. However, we will not send marketing communications to you in exchange for financial remuneration from a third party without your authorization.

We may disclose PHI to any governmental agency or regulator with whom you have filed a complaint or as part of a regulatory agency examination.

- **PHI about Deceased Individuals :**

We may release PHI to a coroner or medical examiner to assist in identifying a deceased individual or to determine the cause of death. In addition, we may disclose a deceased's person's PHI to a family member or individual involved in the care or payment for care of the deceased person unless doing so is inconsistent with any prior expressed preference of the deceased person which is known to us.

- **Other Uses of PHI:**

Other uses and disclosures of PHI not covered by this notice and permitted by the laws that apply to us will be made only with your written authorization or that of your legal representative. If we are authorized to use or disclose PHI about you, you or your legally authorized representative may revoke that authorization in writing at any time, except to the extent that we have taken action relying on the authorization or if the authorization was obtained as a condition of obtaining your Coverage. You should understand that we will not be able to take back any disclosures we have already made with authorization.

Your Rights Regarding Protected Health Information That We Maintain About You

The following are your various rights as a consumer under HIPAA concerning your PHI. Should you have questions about or wish to exercise a specific right, please contact us in writing at the applicable Contact Address listed on the last page.

- **Right to Inspect and Copy Your PHI:** In most cases, you have the right to inspect and obtain a copy

of the PHI that we maintain about you. If we maintain the requested PHI electronically, you may ask us to provide you with the PHI in electronic format, if readily producible; or, if not, in a readable electronic form and format agreed to by you and us. To receive a copy of your PHI, you may be charged a fee for the costs of copying, mailing, electronic media, or other supplies associated with your request. You may also direct us to send the PHI you have requested to another person designated by you, so long as your request is in writing and clearly identifies the designated individual. However, certain types of PHI will not be made available for inspection and copying. This includes psychotherapy notes or PHI collected by us in connection with, or in reasonable anticipation of, any claim or legal proceeding. In very limited circumstances, we may deny your request to inspect and obtain a copy of your PHI. If we do, you may request that the denial be reviewed. The review will be conducted by an individual chosen by us who was not involved in the original decision to deny your request. We will comply with the outcome of that review.

- **Right to Amend Your PHI:** If you believe that your PHI is incorrect or that an important part of it is missing, you have the right to ask us to amend your PHI while it is kept by or for us. You must specify the reason for your request. We may deny your request if it is not in writing or does not include a reason that supports the request. In addition, we may deny your request if you ask us to amend PHI that:

- is accurate and complete;
- was not created by us, unless the person or entity that created the PHI is no longer available to make the amendment;
- is not part of the PHI kept by or for us; or
- is not part of the PHI which you would be permitted to inspect and copy.

- **Right to a List of Disclosures:** You have the right to request a list of the disclosures we have made of your PHI. This list will not include disclosures made for treatment, payment, health care operations, purposes of national security, to law enforcement, to corrections personnel, pursuant to your authorization, or directly to you. To request this list, you must submit your request in writing. Your request must state the time period for which you want to receive a list of disclosures. You may only request an accounting of disclosures for a period of time less than six years prior to the date of your request. Your request should indicate in what form you want the list (for example, paper or electronic). The first list you request within a 12-month period will be free. We may charge you for responding to any additional requests. We will notify you of the cost involved, and you may choose to withdraw or modify your request at that time before you incur any cost.

- **Right to Request Restrictions:** You have the Right to request a restriction or limitation on PHI we

Use or disclose about you for treatment, payment, or health care operations, or that we disclose to someone who may be involved in your care or payment for your care, like a family member or friend. While we will consider your request, **we are not required to agree to it.** If we do agree to it, we will comply with your request. To request a restriction, you must make your request in writing. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure or both; and (3) to whom you want the limits to apply (for example, disclosures to your spouse or parent). We will not agree to restrictions on PHI uses or disclosures that are legally required, or which are necessary to administer our business.

- **Right to Request Confidential**

Communications : You have the right to request that we communicate with you about PHI in a certain way or at a certain location if you tell us that communication in another manner may endanger you. NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS' RIGHT TO COBRA CONTINUATION COVERAGE

COBRA is a federal law that requires most group health plans to give their employees and their dependents the opportunity to continue coverage when coverage is terminated due to certain specific events. If your employment terminates for any reason other than your gross misconduct, or if your hours worked are reduced so that your coverage terminates, you and your covered dependents may be able to continue coverage under This Plan for a period of up to 18 months. If it is determined under the terms of the Social Security Act that you or your covered dependent is disabled within the first 60 days of COBRA coverage, you and your covered dependents may be able to continue your vision coverage under This Plan for an additional 11 months after the expiration of the 18 month period. In addition, if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may be able to continue coverage under This Plan for up to 36 months. Also, your covered children may be able to continue coverage under This Plan for up to 36 months after they no longer qualify as covered dependents under the terms of This Plan. Group health plans for employers with fewer than 20 employees, church plans, and plans established and maintained by the federal government are not subject to COBRA continuation requirements.

During the continuation period, a child of yours that is (1) born; (2) adopted by you; or (3) placed with you for adoption, will be treated as if the child were a covered dependent at the time coverage was lost due to an event described above.

This continuation will terminate on the earliest of:

- a. the end of the 18, 29 or 36 month continuation period, as the case may be;
- b. the date of expiration of the last period for which the required payment was made;
- c. the date, after you or your covered dependent elects to continue coverage, that you or your covered dependent first becomes covered under another group health plan as long as the new plan does not contain any exclusion or limitation with respect to your or your covered dependent's preexisting condition;
- d. the date your employer ceases to provide any group health plan for its employees.

Notice will be given when you or your covered dependent becomes entitled to continue coverage under This Plan. You or your covered dependent will then have 60 days to elect to continue coverage. If you or your covered dependent do not notify your Employer within the 60-day election period, you will lose the option to elect continuation coverage.

Each person who is eligible for COBRA coverage is entitled to make a separate election of COBRA coverage. Thus, a covered spouse (as defined by federal law) or dependent child (or parent on their behalf) is entitled to elect COBRA coverage even if the covered Employee does not make that election. However, covered Employees may elect COBRA coverage on behalf of their covered dependents. Any person who elects to continue coverage under This Plan must pay the full cost of that coverage (including both the share you now pay and the share your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

If you do not elect COBRA coverage, your vision coverage will end. However, if you initially waive COBRA continuation coverage before the end of the 60-day election period, you may change your election by sending the completed election form to the Plan Administrator and postmarking it no later than the last day of the 60-day election period.

Qualifying Event Due To Bankruptcy Of Employer

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the Employer, and that bankruptcy results in the loss of coverage of any retired employee covered under This Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's covered spouse and covered dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under This Plan.

If You Elect COBRA

If you choose COBRA coverage and pay the required premiums, you are entitled to coverage which, as of the time coverage is being provided, is identical to the coverage provided by the Employer to similarly situated active Employees, spouses or dependent children. This means that if the coverage for similarly situated Employees, spouses or dependent children changes, coverage will change for those who elected COBRA coverage.

Duration Of COBRA Coverage

The law requires that you be given the opportunity to maintain COBRA coverage for 36 months from the date coverage ends as a result of the qualifying event unless you lost coverage because of the covered Employee's termination of employment or reduction in hours. In that case, the required COBRA coverage period is 18 months from the date you lose coverage as a result of the termination of employment or reduction in hours. However, the 18-month coverage period may be extended under the following circumstances:

Disability. If any person entitled to COBRA coverage (the covered Employee, covered spouse or covered dependent child) is determined by the Social Security Administration to have been disabled at any time during the first 60 days of COBRA coverage period and the disability lasts at least until the end of the 18 month period of continuation coverage, then all such persons entitled to elect COBRA coverage may be able to continue coverage for up to 29 months, rather than 18 months.

In order to be eligible for the additional 11 months of COBRA coverage, the covered Employee, covered spouse or covered dependent child must notify the Employer's COBRA Administrator within 60 days of the **latest** of: (1) the Social Security Administration's determination of disability; (2) the date of the qualifying event; (3) the date on which the covered Employee's coverage initially was or will be lost; or (4) the date a person entitled to COBRA coverage is informed of this obligation by being provided the initial COBRA notice for the applicable group health plan. Written notice to the COBRA Administrator must be received before the end of the initial 18-month coverage period. A copy of the Social Security Administration's determination must be provided to the COBRA Administrator. **If these procedures are not followed, there will be no disability extension of COBRA.**

During the additional 11 months of coverage, your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months.

The additional 11 months of coverage provided on account of a disability will end as of the earlier of:

- The first day of the month beginning more than 30 days after a final determination by the Social Security Administration that the disability no longer exists; or
- The last day of the 29th month of total coverage.

A person entitled to COBRA coverage must notify the COBRA Administrator within 30 days if the Social Security Administration determines that the disabled person is no longer disabled. This Plan reserves the right to retroactively cancel COBRA coverage, and will require reimbursement of all benefits paid for claims incurred after coverage terminates.

Subsequent Qualifying Events. If, during the 18-month period of COBRA coverage (or within the 29-month maximum coverage period in the case of a disability extension), the covered Employee and the spouse divorce, the covered Employee dies, the covered Employee becomes entitled to Medicare, or a dependent ceases to be an eligible dependent under the terms of This Plan, then the covered spouse and/or covered dependent child(ren) (as applicable) may be able to extend COBRA coverage for up to 36 months from the date of the termination of employment or reduction in hours.

A person entitled to COBRA coverage must notify the Employer's COBRA Administrator of the subsequent event no later than 60 days after its occurrence. If such notification is not given, the covered spouse and/or covered dependent child will not be entitled to the additional COBRA coverage.

Premiums For COBRA Coverage

A person entitled to COBRA coverage is entirely responsible for paying the premiums for COBRA coverage. The required payment for each continuation coverage period for each option will be described in the notice that is sent when an individual experiences a qualifying event.

Initial Premium Payment

If continuation of coverage is elected, payment for continuation coverage must be made no later than 45 days after the date of such election. (This is the date the election notice is post-marked, if mailed.) If the first payment for continuation coverage is not made in full by the 45th day after the date of election, continuation coverage under This Plan will end. A person entitled to COBRA coverage is responsible for making sure that the amount of the first payment is correct.

After the first payment for continuation coverage, the amount due for each coverage period for each qualified beneficiary will be provided when coverage is elected.

STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all Plan documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Vision Plan Insurance

Continue vision insurance for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Uniformed Services Employment And Reemployment Rights Act

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation of Group Vision Insurance:

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your vision insurance coverage under your employer’s group vision insurance policy ends, you may elect to continue vision insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for vision insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total vision insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents’ insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have vision insurance coverage under your employer’s group vision insurance policy pursuant to USERRA. Contact your employer for more information.
